

On-call Coverage Teacher

BISS is seeking enthusiastic and flexible **On-Call Teachers** to provide short-term cover across Early Years, Primary, and/or Secondary School. This role is ideal for qualified teachers who enjoy working in a dynamic international environment and are available to step in at short notice to ensure continuity of learning.

About Us

BISS offers a high-quality international education within a welcoming and global community. Combining the best of English and international curricula, we inspire students from over 40 nationalities to be their best by fostering **creativity**, encouraging **respect**, and building **resilience**.

At BISS, English is the primary language of instruction outside of language lessons (ie. Swedish, Spanish, French), and a professional level of English is required. Experience working or studying abroad is an added advantage.

Key Responsibilities

- Deliver engaging and purposeful lessons based on provided plans or school guidelines
- Maintain a positive, safe, and inclusive classroom environment
- Uphold school policies, routines, and expectations
- Support student learning and well-being during the absence of the regular teacher
- Collaborate professionally with teaching and support staff
- Provide brief feedback to the class teacher or relevant leader when required

Requirements

- Qualified teacher status (or equivalent recognised teaching qualification or training to be a teacher)
- Fluent in English (Swedish fluency desirable)
- Experience teaching in an international or British-curriculum context is an advantage
- Ability to adapt quickly and manage classrooms effectively
- Strong communication and interpersonal skills
- A professional, reliable, and flexible approach
- Eligibility to work in Sweden
- A clear criminal background check (or willingness to obtain one)

We Offer

- A welcoming and supportive international school community
- Flexible work to suit your availability
- Opportunities to gain experience across different age groups and curricula
- A chance to be part of a values-driven school committed to holistic education

How to Apply

Interested candidates are invited to submit a CV and a brief cover letter outlining their teaching experience and availability to school@bisstockholm.se
